

Navigating the Home Page:

Your home page has been designed to be clear and easy to use. At the top of the page you will find the “Search by Keyword” tool. The “Home” button which will take you from any screen back to this Home page. An “All Titles” button that will take you back to All Titles within your previous search parameters. A “Search” button that will take you to the Advanced Search. Your account information (when logged in) and the Sign Out button.

On the left navigation pane of the Home Page you will find MY SEARCH. Here you can look for content based on a subject search along with grade level and courses.

To the right of the MY SEARCH area you will see thumbnails representing the content in the platform. As you mouse over each thumbnail a box will pop up with a short description, the run time and grade level (where applicable).

At the bottom of the Home Page you will find another “Home” button to take you to the top of the page. There are also navigation buttons for “About Us”, “FAQ” (Frequently Asked Questions), “Terms”, “Privacy” and “Contact Us”.

The final line at the bottom of the Home Page contains links to “My Account”, “Help” and “Sign Out”.
